HELPING OUR WOUNDED WARRIORS

MEDIA KIT

SOLDIER ON

Soldier On is about Australians coming together to show their support for our physically and psychologically wounded. We want to show the men and women of our Defence forces that we will always have their backs. Thanks to the support of the Australian public, we work to enhance recovery, inspire communities and empower Australia's wounded, giving those who have served our country the dignity they deserve and the chance to do and be whatever they choose.

Soldier On supports Australian service men and women who have been wounded, physically or psychologically in contemporary conflicts. This includes conflicts after 1990, as well as

servicing members who were wounded in training or other exercises and individuals working for other Government agencies (DFAT, AFP, Customs). We are not part of the RSL, Legacy or the Department of Veterans Affairs, but are excited to work with these organisations to support Australia's young service men and women.

Soldier On does this in several different ways, in an effort to make a financial, physical and emotional link with those who have been wounded. The four areas we work to help – **enhancing rehabilitation, adventurous events, community events, and employment and education.**
